PLATO LINE LINE SHOWER TRAY

Plato de ducha realizado con mineral de alta calidad que proporciona excelentes características mecánicas y revestido de KRION®. El plato de ducha Line permite personalizar tanto su longitud, de 75 hasta 210 cm, como su anchura de 70 hasta 100 cm. También cuenta con paneles decorativos para alicatar las paredes manteniendo la continuidad visual. Los productos Krion® Line se producen en cinco colores diferentes, el clásico blanco, gris, grafito, beige y taupe, color cada vez más de moda en la actualidad.

Shower tray made of top-quality minerals, guaranteeing excellent mechanical performance, covered in KRION™. The Line shower tray's dimensions can be customised, with a length ranging from 75 to 210 cm and width from 70 to 100 cm. It also comes with decorative wall panels to ensure visual continuity. The products KRION™ LINE are produced in five different colours, classic White, Grey, Grafitte, Beige and Taupe, nowadays colour more fashionable.

COLUMNA TONO

TONO SHOWER

Partiendo de un mismo concepto, la columna de ducha TONO aporta practicidad y elegancia integrándose, de forma natural, con el resto de elementos de la colección. Como en ellos, la calidad de los materiales y la precisión en la fabricación de un diseño puro, exacto y genuinamente funcional; captura la esencia de la colección TONO en una propuesta minimalista y atemporal.

Based on the same design concept, the TONO shower column combines functionality with elegance. As with the rest of the collection, which it fits in with to perfection, TONO stands out for the quality of its materials and precision-manufactured functional, neat design. With its minimalism and timeless appeal, it captures the essence of the TONO collection.

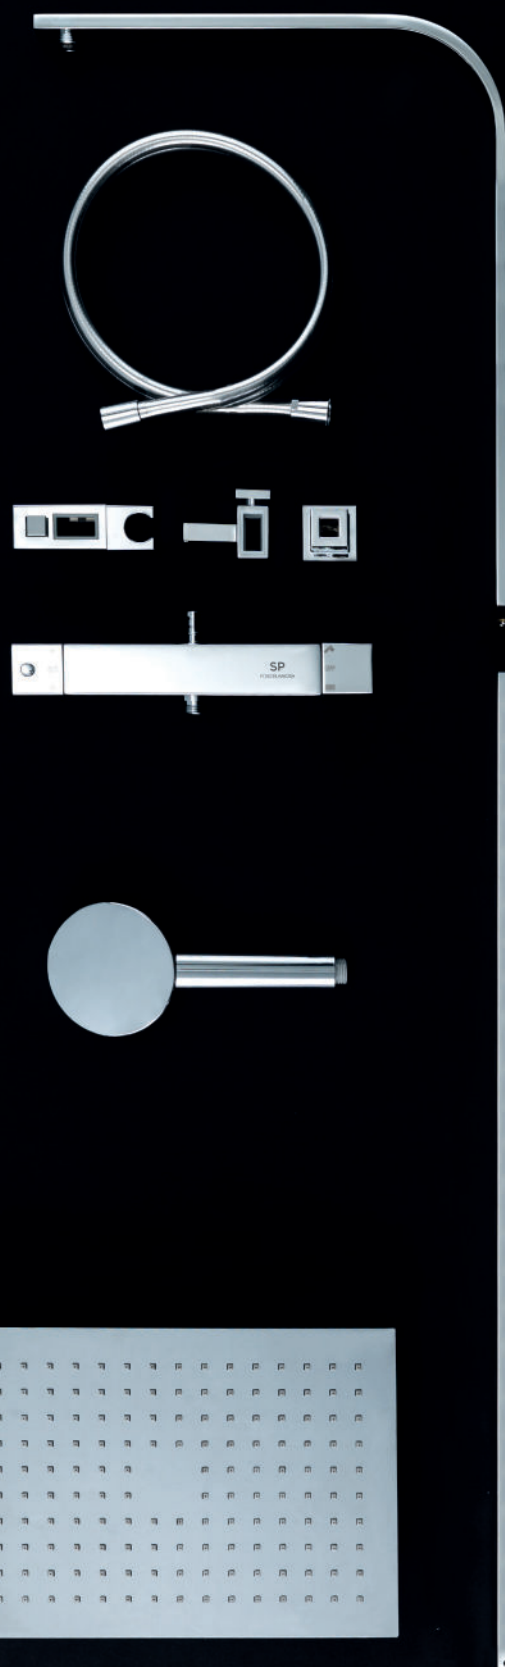

COLUMNA TEC SQUARE

TEC SQUARE SHOWER COLUMN

La serie de columnas TEC aúna y mejora las características estéticas y funcionales de diferentes modelos (redondos o cuadrados), ofreciendo de esta forma columnas de ducha fabricadas en latón cromado brillo, equipadas con grifería termostática 'Cool Touch' para ducha. Columna regulable en altura a elegir entre 2 tipos donde cada uno de sus componentes (cuerpo termostático, tubo extensible, rociador y teleducha) adoptan forma redonda o cuadrada según modelo. Con tomas de agua a distancia estándar 150mm. Se incluyen reguladores de caudal para consumos EcoEfficient®. Economía, eficiencia y funcionalidad hacen de esta serie de columnas el complemento ideal para la ducha diaria.

The TEC shower column series integrates and improves on the aesthetic and functional characteristics of different rounded or square-looking columns in a choice of glossy chrome-plated brass models with thermostatic 'Cool Touch' shower taps.

Shower column with an adjustable height in two possible versions, with either round or square-looking features (the thermostatic body, flexible hose and hand shower). With water connections at a standard distance of 150 mm. Includes flow regulators so as to ensure EcoEfficient® consumption. A shower column series with the watchwords on economy, efficiency and functionality, ideal for everyday showering
