APPLEBEE

At its outset, AppleBee started as a wickerwork specialist for indoor furniture, but in 1998, they officially switched to focusing on the production of their own outdoor furniture brand. A garden furniture brand with a unique design was born in the Netherlands. Sako Wijma, designer at AppleBee, knows how to translate all his customers' wishes into surprising designs. He invents and develops all his furniture himself, guaranteeing AppleBee's uniqueness in its class. Through its original designs, AppleBee has been a leading brand in the garden furniture sector since 1998

BROIL KING

Every Broil King® gas grill is built to provide unparalleled cooking versatility. No matter what model you choose, the legendary Broil King® cooking system gives you the ability to cook almost anything on your grill in any style you desire. You can sear steaks to perfection, rotisserie cook poultry or roasts, and even bake elaborate desserts. Every part of the cooking system is designed and engineered for a specific purpose. When combined, the results are simply spectacular. There's no mistaking the Great Flavour you get with Broil King.

REGAL PELLET 500 SMOKER & GRILL

The body of the Regal™ Pellet 500 is constructed from 2 mm (14 gauge) steel, has 4,032 sq.cm (625 sq.in.) of primary cooking surface, 1,548 sq.cm (240 sq.in.) secondary cooking surface and heavy-duty, cast iron cooking grids. The WiFi- and Bluetooth®-enabled digital controller enables precise temperature control and the control panel's large display is easy to read. This innovative product comes with a powerful auger, 9 kg (22-lb) capacity pellet hopper, removable grease management system, unique ash management system, deluxe rotisserie kit, 2 electronic meat probes, and base storage and side shelf.

KEG 5000

The Broil King® Keg™ 5000 features 480 sq. in. total cooking space, including a chrome coated secondary rack, a heavy-duty cast iron cooking grid, removable ash tray, resin side shelves, a durable steel base and metallic charcoal paint finish.

BUILT-IN GRILLS\OUTDOOR KITCHENS

Delivering the same cooking performance and versatility of its full-sized siblings, a Broil King Built-In grill head is a great option for those looking for a value-packed grill for an outdoor kitchen or grilling island. Offered in 4, 5 or 6 burner configurations, standard features for these Built-In grill heads include heavy-duty cooking grids that deliver searing heat across the entire grilling surface and a stainless steel Flav-R-Wave™ cooking system that fills the entire cook box ensuring maximum vaporization and great barbecue flavour. At the heart of the grill are independently controlled stainless steel Dual-Tube™ burners with Linear Flow™ valves that provide precise temperature control.

IMPERIAL 590 PRO

The Broil King® Imperial™ 590 features 875 sq. in. total cooking space including porcelain coated warming rack, professional cast stainless steel cooking grids, stainless steel Flav-R-Wave™ cooking system, 5 stainless steel Dual-Tube™ burners, built-in oven oven and control knob lights, stainless steel side shelves with right side storage drawer and an enclosed cabinet base with stainless steel door and utility drawers.

REGAL 690

The Regal™ 690 features two totally independent ovens with a total of 750 sq. in. of cooking space including two stainless steel warming racks, heavy Flav-R-Cast iron cooking grates, stainless steel Flav-R-Wave™ cooking system, 6 stainless steel Dual-Tube™ burners, stainless steel side shelves, an enclosed cabinet base and built-in control knob lights.

BARON 590

Delivering the same cooking performance and versatility of its full-sized siblings, a Broil King Built-In grill head is a great option for those looking for a value-packed grill for an outdoor kitchen or grilling island. Offered in 4, 5 or 6 burner configurations, standard features for these Built-In grill heads include heavy-duty cooking grids that deliver searing heat across the entire grilling surface and a stainless steel Flav-R-Wave™ cooking system that fills the entire cook box ensuring maximum vaporization and great barbecue flavour. At the heart of the grill are independently controlled stainless steel Dual-Tube™ burners with Linear Flow™ valves that provide precise temperature control.

BARON S590

Baron™ 590 features 805 sq. in. total cooking space including porcelain coated warming rack, reversible heavy-duty cast iron cooking grids, stainless steel Flav-R-Wave™ cooking system, 5 stainless steel Dual-Tube™ burners, stainless steel drop-down side shelves and enclosed cabinet base. The powerful infrared side burner has a solid 9 mm stainless steel cooking grid and aluminium body.

BARON 440

Baron™ 440 features 644 sq. in. total cooking space including porcelain coated warming rack, reversible heavy-duty cast iron cooking grids, stainless steel Flav-R-Wave™ cooking system, 4 stainless steel Dual-Tube™ burners, and stainless steel drop-down side shelves.

BARON 490

The Baron™ 490 P features a 460 sq. in. primary cooking surface and includes a durable cast aluminum oven, 4 stainless steel Dual-Tube™ burners, stainless steel Flav-R-Wave™ cooking system, and electronic ignition. Include stainless steel 8 mm rod cooking grids, stainless steel warming rack, stainless steel drop-down side shelves.

BARON 490 SHADOW

The Broil King® Baron™ 490 features 2,865 sq. cm primary cooking surface, reversible heavy-duty cast iron cooking grids, stainless steel Flav-R-Wave™ cooking system, stainless steel Dual-Tube™ burners, stainless steel drop-down side shelves and enclosed cabinet base.

The Baron™ 490 Shadow includes premium black porcelain enameled features like a double lid, drop down side shelves and control panel, now with brighter built-in control panel lights for year round grilling.

CROWN 410

The Broil King® Classic™ 410 features 2,865 sq. cm primary cooking surface, cast iron cooking grids, warming rack, stainless steel Flav-R-Wave™ cooking system, 4 stainless steel tube burners, high heat painted steel cookbox, black powder coat side shelves, frame and front panel.

CROWN 440

The Broil King® Crown™ 440 features 2,865 sq. cm primary cooking surface, cast iron cooking grids, warming rack, stainless steel Flav-R-Wave™ cooking system, 4 stainless steel tube burners, black powder coat side shelves, and an enclosed cabinet base.
