FURNITURE & BARBECUE COLLECTION 2024

OUTDOOR COLLECTIONS 2024

Explore our range of outdoor furniture collections fit for cozy terraces to expansive sundecks. With the freedom to mix and match, experiment with different setups, materials, and styles, you can create a space that truly reflects your personal taste.

Our garden furniture selection offers unparalleled comfort and convenience. Crafted with durability in mind, each piece comes in a variety of finishes and color combinations, ensuring longevity and style. Weatherproof, colorfast, and low-maintenance, our furniture gives you more time to savor the moments outdoors.

...taking the fun outdoors

BRAFAB

Are one of the leading brands for outdoor furniture, and devote themselves to develop new outdoor collections from year to year. In recent years, outdoor environments have become increasingly important what used to be just a simple patio has today become an extra living room that we enjoy as soon as the weather permits. Brafab draws inspiration from the outside world and by monitoring and trying to predict upcoming trends and orientations. They believe that it is important to add playfulness and hope into daily lives, which they want to reflect in their outdoor furniture.

APPLEBEE

At its outset, AppleBee started as a wickerwork specialist for indoor furniture, but in 1998, they officially switched to focusing on the production of their own outdoor furniture brand. A garden furniture brand with a unique design was born in the Netherlands. Sako Wijma, designer at AppleBee, knows how to translate all his customers' wishes into surprising designs. He invents and develops all his furniture himself, guaranteeing AppleBee's uniqueness in its class. Through its original designs, AppleBee has been a leading brand in the garden furniture sector since 1998

BROIL KING

Every Broil King® gas grill is built to provide unparalleled cooking versatility. No matter what model you choose, the legendary Broil King® cooking system gives you the ability to cook almost anything on your grill in any style you desire. You can sear steaks to perfection, rotisserie cook poultry or roasts, and even bake elaborate desserts. Every part of the cooking system is designed and engineered for a specific purpose. When combined, the results are simply spectacular. There's no mistaking the Great Flavour you get with Broil King.

REGAL Q 590

The Regal™ Q 590 Pro IR with iQue™ Technology features 625 sq. in. total cooking space including the stainless steel warming rack, solid 9mm stainless steel cooking grids, stainless steel Flav-R-Wave™ cooking system, 5 stainless steel Dual-Tube™ burners, stainless steel side shelves, illuminated control knobs, and an enclosed cabinet base. The powerful infrared side burner has a solid 9 mm stainless steel cooking grid and aluminum body.

ThinkKing Smart

BUILT-IN GRILLS\OUTDOOR KITCHENS

Delivering the same cooking performance and versatility of its full-sized siblings, a Broil King Built-In grill head is a great option for those looking for a value-packed grill for an outdoor kitchen or grilling island. Offered in 4, 5 or 6 burner configurations, standard features for these Built-In grill heads include heavy-duty cooking grids that deliver searing heat across the entire grilling surface and a stainless steel Flav-R-Wave™ cooking system that fills the entire cook box ensuring maximum vaporization and great barbecue flavour. At the heart of the grill are independently controlled stainless steel Dual-Tube™ burners with Linear Flow™ valves that provide precise temperature control.

REGAL PELLETT 500 SMOKER & GRILL

The body of the Regal™ Pellet 500 is constructed from 2 mm (14 gauge) steel, has 4,032 sq.cm (625 sq.in.) of primary cooking surface, 1,548 sq.cm (240 sq.in.) secondary cooking surface and heavy-duty, cast iron cooking grids. The WiFi- and Bluetooth®-enabled digital controller enables precise temperature control and the control panel's large display is easy to read. This innovative product comes with a powerful auger, 9 kg (22-lb) capacity pellet hopper, removable grease management system, unique ash management system, deluxe rotisserie kit, 2 electronic meat probes, and base storage and side shelf.

REGAL Q 490

The Regal™ Q 490 Pro IR with iQue™ Technology features 500 sq. in. total cooking space including the stainless steel warming rack, solid 9mm stainless steel cooking grids, stainless steel Flav-R-Wave™ cooking system, 4 stainless steel Dual-Tube™ burners, stainless steel side shelves, illuminated control knobs, and an enclosed cabinet base. The powerful infrared side burner has a solid 9 mm stainless steel cooking grid and aluminum body.

Thinking** Smart**
