

Il volume geometrico della madia Fjord si fonde nel profilo sinuoso delle ante curve. Un complemento d'arredo raffinato e di grande contemporaneità ispirato alle forme degli anni '60. Disponibile in diverse configurazioni, anche con vano a giorno tra le ante, per una caratterizzazione ancora più personale.

The geometric volume of the Fjord sideboard merges with the sinuous shape of the curved doors. A refined piece of occasional furniture with a definite contemporary look inspired by '60s shapes. It comes in various configurations, including a version with an open shelf flanked by the doors, for an even more personal distinguishing feature.
