The new essential.

The Ultra Flat New shower trays collection has a purity of design and purpose that sets it apart.

Free from superfluous, and stripped back to something essential, it is ultra slim, smooth and stylish to give the seamless appearance of a wet room – and enable customers to achieve more with less.

**A blank canvas
from which
to create.**

Available in 28 different sizes and 3 different shapes, Ultra Flat New is the perfect cornerstone to any design project, in both bathrooms and wet rooms.

Ultra Flat New Shower Tray 140 x 80cm, Gloss White / Built-In Wall-Mounted Thermostatic Shower / IdealRain Shower Head and Handset / Connect Air 60cm Vessel / Tesi Wall-Mounted Mixer / Adapto Worktop 85 x 50cm / Round Mirror Ø65cm

It's not what we add, it's what we take away.

At just 25mm high, Ultra Flat New is one of the slimmest trays on the market – up to 30% slimmer than others.

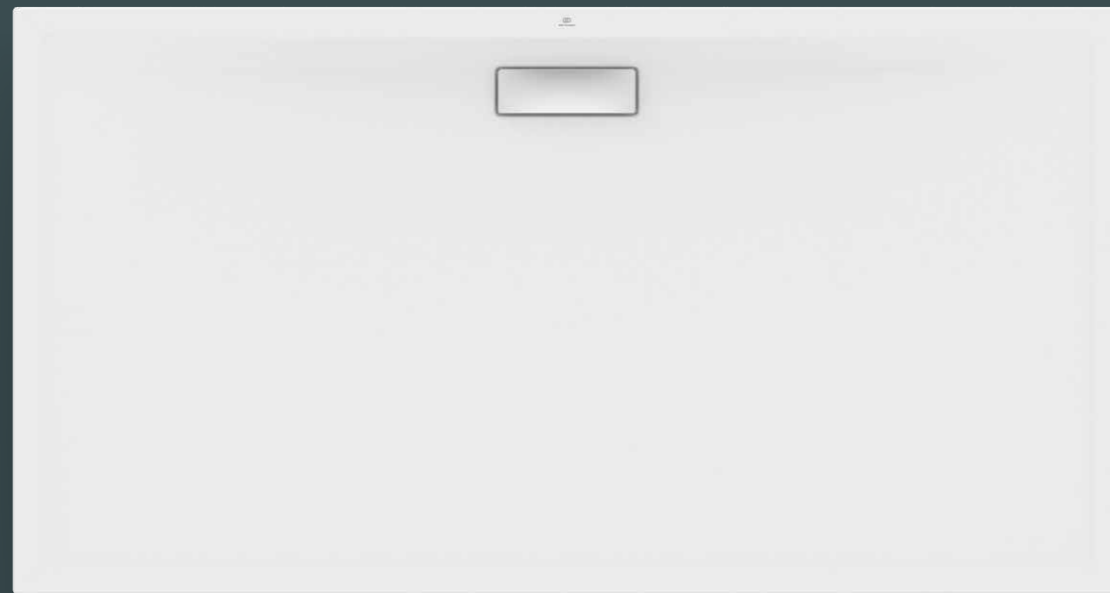

That makes it the most accessible tray, too, bringing a sense of ease and space to any room.

Two finishes. Unlimited possibilities.

We understand that one small design detail can change the whole sense of a room.

Ultra Flat New is available in a contemporary Matt White finish, as well as classic Gloss White, so it delivers the exact design ambition.

Created to give more of what matters. And less of what doesn't.

The complete collection.

28 different sizes to fit any bathroom or wet room.

Three shapes - quadrant, square and rectangular.

Choice of Gloss White or Matt White finish and Chrome Waste.

Practical for the everyday.

Slim and sleek design creates a sense of space.

Acrylic coating makes it warmer underfoot than ceramic.

Acrylic finish makes it easier to clean than ceramic trays.

Easy to install and maintain.

Lightweight with an acrylic coating.

Light and easy to install by one person.

Can be surface mounted in rooms with a lower-floor depth.

NF certified and CE approved.

Proven to perform.

Low height makes it more accessible and also reduces the risk of tripping.

Height of 25mm (30% slimmer than any other floor-standing acrylic tray).

Detergent resistant to European Standard 14527.

Light resistant to prevent discolouring (EN ISO 4892).

Quality manifested in the details.

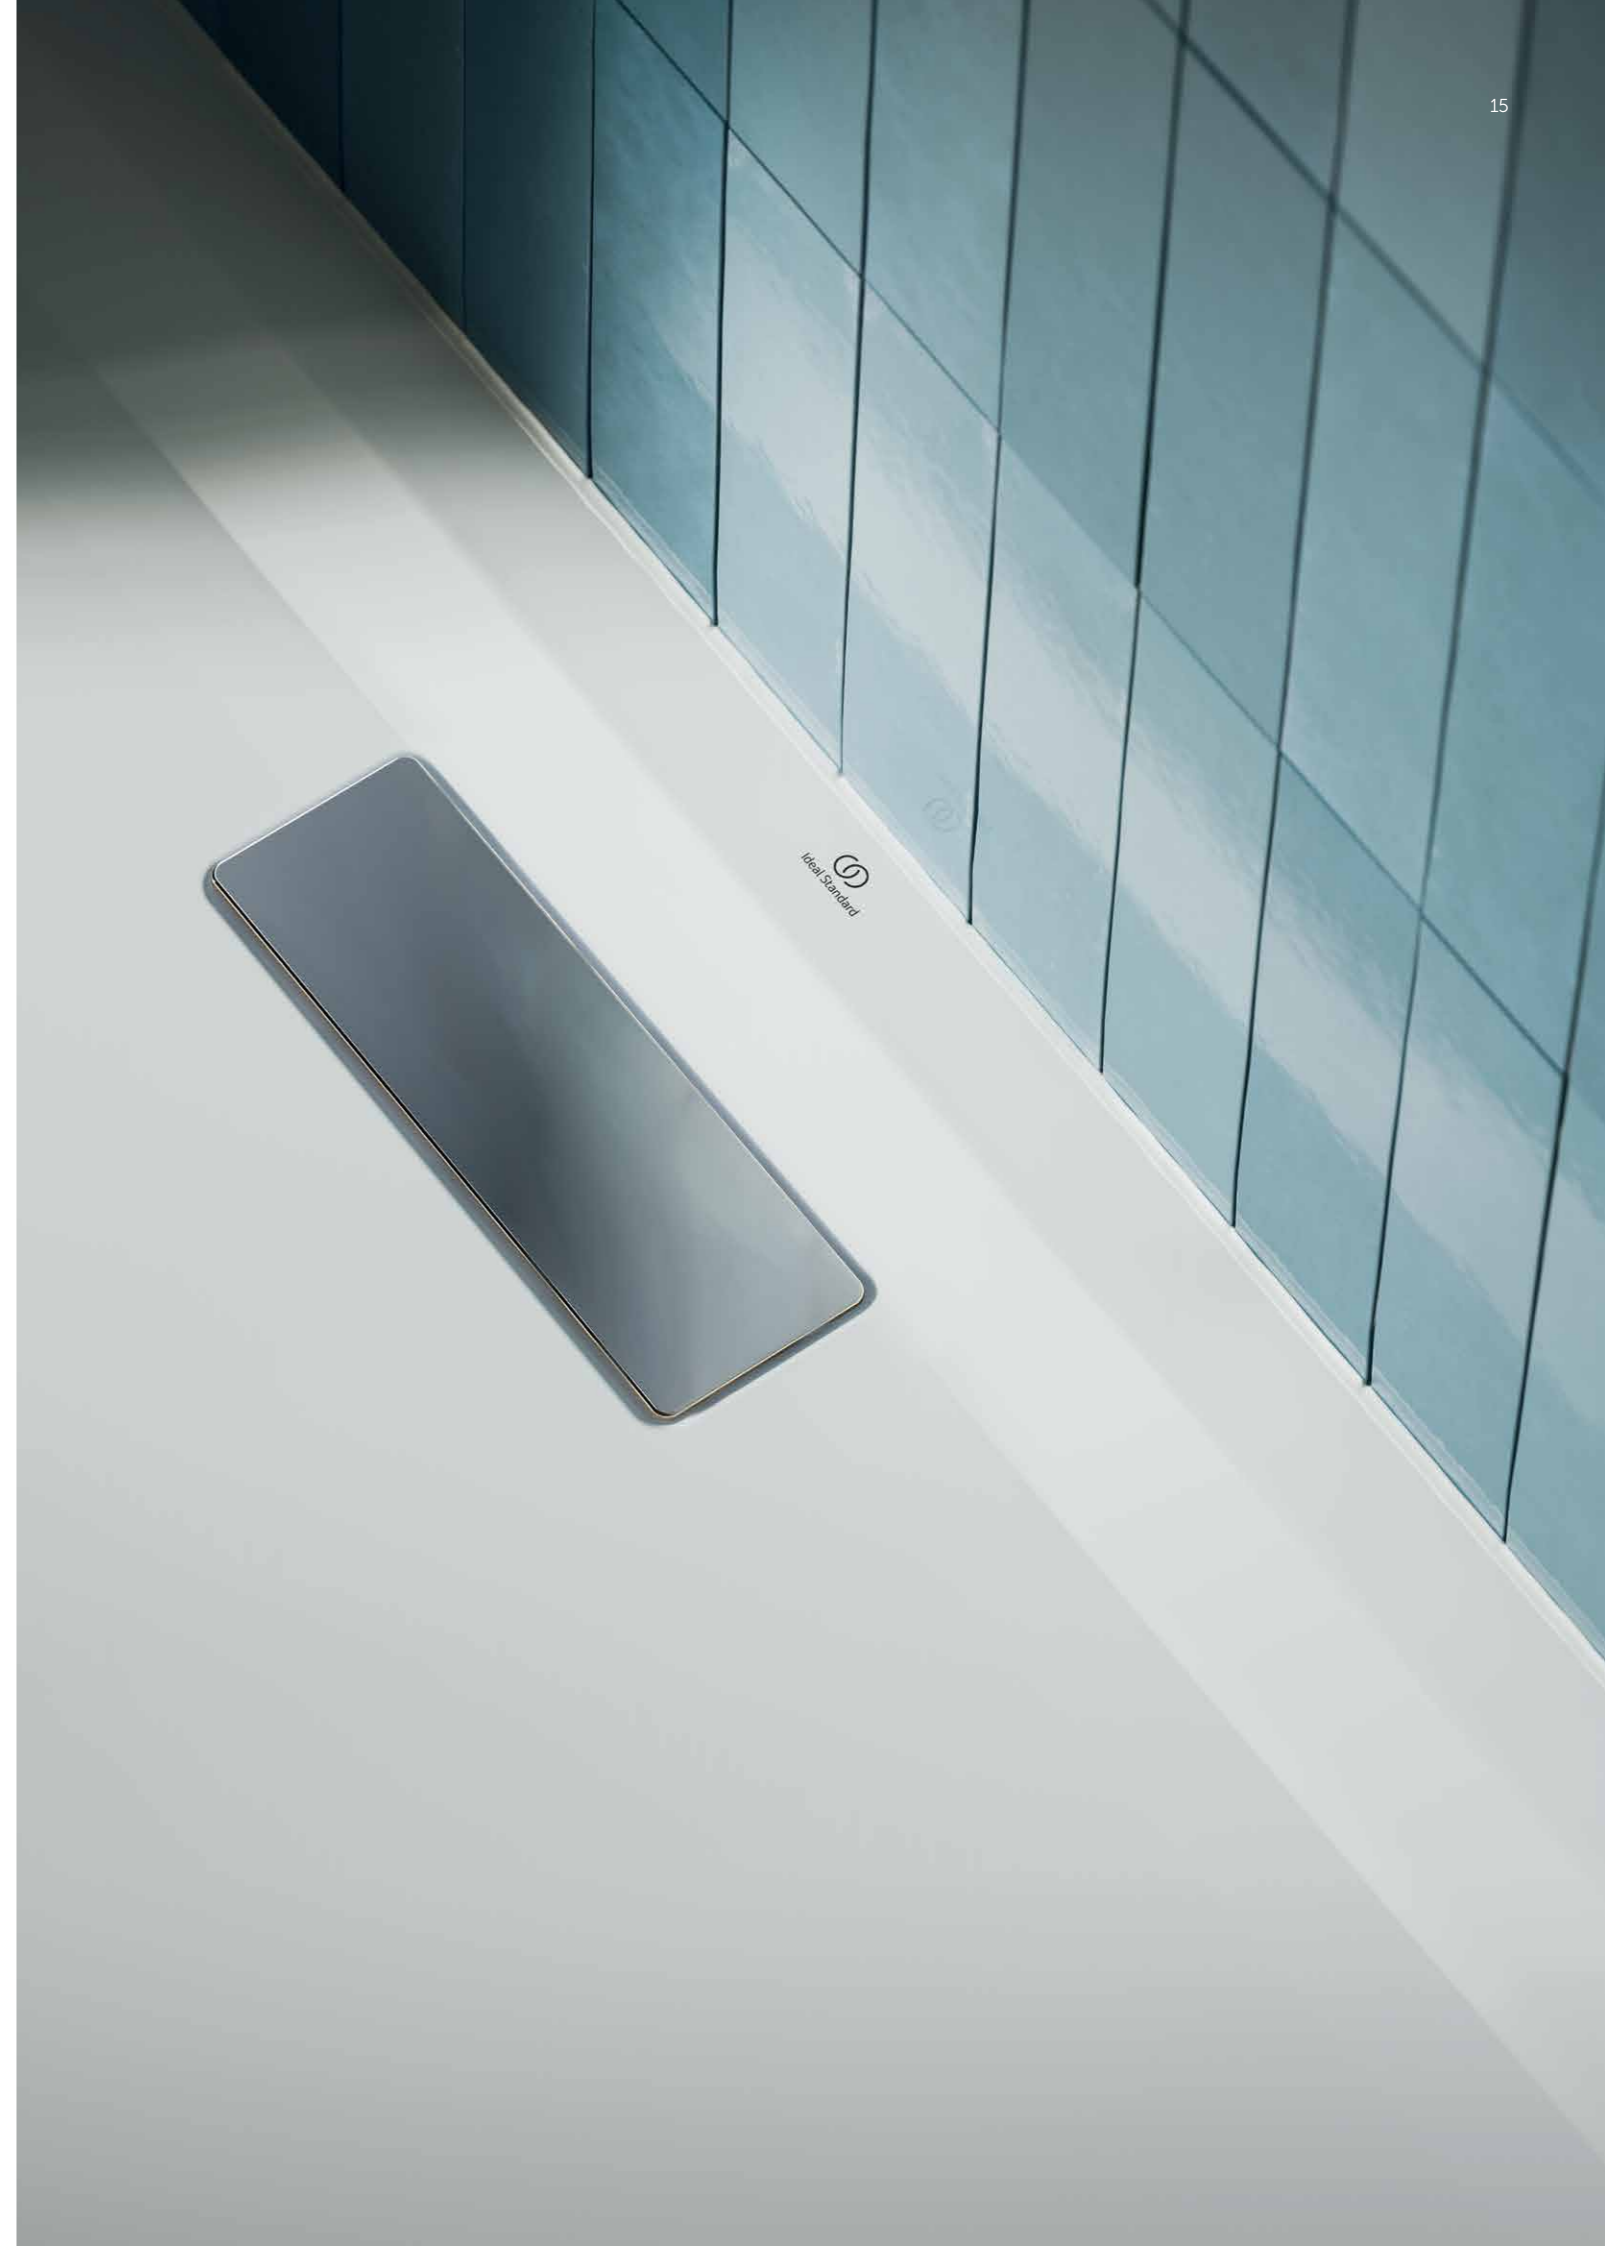

From the dimensions to the finish, every element of the Ultra Flat New collection has been carefully considered – and the waste cover is no exception.

The minimalist flat-curve design and Chrome finish delivers a high-quality aesthetic. And it's practical too, with an adjustable outlet and removable syphon parts that make it easy to install and maintain.

Minimal design. Maximum possibilities.

While the design of the Ultra Flat New collection is created on a belief that less is more, the range of options is far from minimal. With 28 sizes, three shapes and two finishes, simplicity has never been so specific. And whatever the size or fitting, it gives perfect stability with fast installation.
