Armchairs

Crafted for you - with passion

Armchairs

Armchairs are for personalities who aren't always enthusiastic about sharing space. They are for people who enjoy peaceful moments in life and want that extra comfort - a calm atmosphere and time for winding down with a good book or watching television.

We believe an excellent armchair combines comfort with an elegant and timeless design. In our range of you can find armchairs in different shapes, sizes and colours catering to a range of styles and needs. The right furniture should be a part of your everyday life: an extension of your personality and very individual requirements. In essence, it should be a piece of you.

Bowery is inspired by the pure iconic lines found in many of the Danish classics from the sixties. Natural materials and elegant lines truly make it an eye catcher. Paired with the optional footstool – it will probably become the favourite spot in your home.
